Military Ball

We hope you enjoyed the annual Joint Military Ball held at the Flight Museum in Dallas. It was an outstanding evening of dining, dancing, and fellowship with Cadets representing all five high schools. We hope to see you again next year! We would love to hear your feedback, so please feel free to email one of the booster club officers. Also, if you have any photos you could share, that would be greatly appreciated.

As you know, the Hebron High School NJROTC will be responsible for holding next year's ball. If you are interested in participating in the planning we would love to have you attend the booster club meetings and be involved in this spectacular event.
